Yeah

You are...my fire

The one...desire

You are...my favorite show

I watch Hamtaro

My house...is filled with trinkets

As much as I can gets

I got a curio

I watch Hamtaro

I gotta see

Bijou talking about her home in France

I gotta see

Hamtaro doing the ham-ham dance

I gotta see

Laura lose her temper with Roberto

I watch Hamtaro

I'll watch...every episode

Watch till...my head explodes

A Hamtaro toy, lets spend some dough

I watch Hamtaro

I gotta see

Another visit from Sabu

I gotta see

Boss trying to impress Bijou

I gotta see

Stan snow boarding down a hill of snow

I watch Hamtaro

I would watch it until the end of time

Until I'm old and dead, yeah

I watch it every day

Like no other anime

And "Hamtaro Time" plays in my head...

I'll watch...Dexter fighting Howdy

I'll watch...Maxwell kissing Sandy

I'll watch, I'll watch, I'll watch, I'll watch

I'll meet them when ever they get together, Ham-Hams meet from around the block

Repeating "Ticky-Ticky" when they walk

I'll watch it even when I have to go

I watch Hamtaro

I gotta see

Oxnard once again stuffing his face

I gotta see

Hamtaro saying "Hamgoof" in disgrace

I gotta see

Travis stubbing his big toe

I watch Hamtaro

I gotta see

Another invention from Panda

I gotta see

Cow girl Pepper and her bandana

I gotta see

Sandy reunite with her twin bro

I watch Hamtaro

I watch Hamtaro
